The Honorable Tom Cole
Chairman
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Terrell's Sidewalk Connectivity and Pedestrian Safety Project. The entity to receive funding for this project is the City of Terrell, located at 201 E. Nash Street, Terrell, Texas, 75160. The funding would be used to construct a comprehensive sidewalk connectivity network to improve pedestrian safety and accessibility throughout key areas of the city. The project is an appropriate use of taxpayer funds because it will create a continuous, accessible pedestrian network that enhances safety, promotes mobility, and improves connectivity among residential areas, schools, and employment centers.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Lance Gooden
Member of Congress
