The Honorable Tom Cole
Chairman
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for infrastructure improvements at both the Brownsboro, Texas, high school and junior high campuses for Fiscal Year 2027. The entity to receive funding for this project is the Brownsboro Independent School District, located at 14134 State HWY 31 East, Brownsboro, Texas 75756. The funding would be used to support campus entrance improvements and signage at Brownsboro High School, as well as the repair and improvement of the Brownsboro Junior High driveway and parking lot.

The project is an appropriate use of taxpayer funds because it addresses high-impact public safety and infrastructure deficiencies on campuses supporting the flow of students, staff, and visitors. The project has a federal nexus because the funding provided is for purposes authorized under Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Lance Gooden
Member of Congress
