The Honorable Tom Cole
Chairman
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Crandall, Texas Force Main/Lift Station Project. The entity to receive funding for this project is the City of Crandall, located at 110 S. Main Street, Crandall, Texas 75114. The funding would be used to upgrade Crandall's wastewater system to meet increasing demand driven by rapid residential and commercial growth. The project is an appropriate use of taxpayer funds because the region is considered one of the fastest growing areas in the country, and the current system is already beyond capacity.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Lance Gooden
Member of Congress
